

## Online REGISTRATION Tips for Knoxville Alzheimer's Tennessee WALK

**For easiest access, please** direct potential walkers, volunteers and donors to [www.alzTennessee.org/KnoxWalk2017](http://www.alzTennessee.org/KnoxWalk2017)

1. Please select from the following buttons "Start a Team", "Join a Team", "Participate Individually". (Note: Once you select "Join a Team", the following registration page will allow you to select from a drop down list of team names)

2. **Each Walker needs to register with a unique email address\***. Alzheimer's Tennessee relies on email as an economical form of communication. We commit to carefully crafting our messages and sending you limited yet important communication.

\*If a participant truly does not have a viable email address, please register by using the participant's first/last name followed by @noemail.com or @none.com (ie [KayWatson@none.com](mailto:KayWatson@none.com))

3. **Remember to use a NEW password** that is different from a password you may have previously used to register for an Alzheimer's Tennessee event.

4. **Each walker and every team has a unique URL link to share** in emails and on Facebook to invite friends, family members, colleagues, etc. to donate and/or join your team! (It will be a long link, so use a hyperlink when possible.)

**Note: Walkers have the opportunity to make a donation immediately after completing the online registration form**, if they want to guarantee that they qualify for a souvenir WALK t-shirt (\$50 donation) or other incentive items at the \$100 or \$200 level.
